LIFE, LOVE AND THE PURSUIT OF FAMILY

Sabrina Noble's Journal

Dear Diary,

You'll never believe who I spotted on my first day back in Maple River—the one who got away, Cole Rayburn. He's definitely not the same kid I swung on the monkey bars with. In fact, Cole is more handsome than ever and has two adorable tweens.

There's definitely still something between Cole and myself...but I get the sense that his ex burned him and his kids pretty badly. Now that I'm back in New Jersey, I'm spending more and more time with the Rayburn clan, and I'm honestly loving it. But can I be the bonus mom these kids deserve and have the husband I've always dreamed of? Or is it true that you can't go home again?
