Lená Medeiros de Menezes

Portugueses: (Portuguese Edition) Lená Medeiros de Menezes

O tema dos deslocamentos humanos é, sem dúvida, um dos mais importantes e urgentes do tempo presente. Diante dele, os historiadores são convocados a rememorar e compreender suas diversas nuances e dar conta de toda a sua complexidade. No caso específico do Brasil, a compreensão dos deslocamentos dos diversos grupos é fundamental para o entendimento das historicidades dos processos econômicos, sociais, políticos e culturais que compõem a nossa sociedade. Neste sentido, a obra aborda os diversos aspectos das imigrações portuguesas para o Brasil no período entre o final do século XIX e grande parte do século XX, priorizando os contextos dos principais núcleos urbanos do país, Rio de Janeiro e São Paulo, que foram as cidades que acolheram a maior parte deste imigrantes. Buscando oferecer sentidos mais complexos do que a vulnerabilidade econômica como motivo das emigrações lusitanas, as autoras perpassam por períodos importantes das histórias do Brasil e de Portugal ressaltando estes processos migratórios à luz das experiências e sentidos atribuídos pelos diversos sujeitos participantes criando quadros vivos das relações históricas e atuais dos dois lados do Atlântico.
