## **INTERIOR**

One hundred attractive and spacious record pages. (To view, click on Look Inside and scroll past the initial blank Contents tables). As well as the main review space, there's space to log:

- title, author, publishing details & page count,
- start & finish dates,
- book format, source & genre/subject,
- thoughts & inspirations in an Inspiration Tree,
- ratings on plot, character development and ease of reading, as well as an overall review score, and
- memorable quotes.

**At the back** you'll find:

- a loan record sheet,
- a tick list of the top 100 voted fiction books, and
- a Notes page for jotting down new authors, books to read, book suppliers and other useful reading resources.

**At the front**, a blank personalized Contents Table gives space for you to add your own categories alongside some of the more common ones. Whether it's short stories, poetry, satire or a few specific authors that float your boat, you'll always be able to quickly find any of your reviews by allocating each to one or more categories as you go along.

All pages are of thick white paper (55lb) to minimize ink bleed-through.
