## **Speaking Out: Storytelling and Creative Drama for Children** Jack Zipes

In his successful *Creative Storytelling*, Jack Zipes showed how storytelling is a rich and powerful tool for self-expression and for building children's imaginations. In *Speaking Out*, this master storyteller goes further, speaking out against rote learning and testing and for the positive force within storytelling and creative drama during the K-12 years.

For the past four years, Jack Zipes has worked with the Neighborhood Bridges Program of the Children's Theatre Company of Minneapolis, taking his storytelling techniques into inner-city schools. *Speaking Out* is in part a record of the transformations storytelling can work on the minds and lives of young people. But it is also a vivid and exhilarating demonstration of a different kind of education - one built from deep inside each child.

*Speaking Out* is a book for storytellers, educators, parents, and anyone who cares about helping kids find within themselves the keys to imagination.
