The Adoption: Whose You Are = Who You Are Yvette R. Dempster

What would you do if you were the devil? What if you knew that every person has a God-given identity so powerful that it would destroy you and your kingdom? Would you lie to people and tell them that they are too messed up? Not worth anything? Too powerless against you?

That is exactly what has happened. Every person has an original identity so powerful that the enemy of their souls has been working over-time to keep people from discovering it...until now. Learn why nearly every person is in an identity-crisis and how to break through.

Discover why your prayers never seem to break through the ceiling of your room. Find out how you can destroy the kingdom of darkness with the biggest weapon you never thought you had--your own identity.

You can live fearlessly. Every sick person you touch can become well. You can live with no limitations to what you believe.

This is the description of the life of a Believer yet most feel as though they haven't attained it yet. Many believe that fasting or inner healing is the key to their spiritual breakthrough yet wait for years before giving up. Is living a Christian life that difficult? Why do so many Christians struggle with the same things for most of their lives? The answer is in your identity. When you discover who you really are, you will live fearlessly, peacefully and boldly.

Taken directly from scripture and boldly written, this book unveils Christian traditions and myths that have kept Believers powerless. If you can dare to believe, then you will be forever ruined for the ordinary. This is what Jesus gave His life for!
