The readers will recognize, as they proceed through the pages, the evolution of an immature psyche from the condition of darkness - represented by blindness (of the heart and mind), loneliness and despair - through awakening and rebellion, all the way to the final enlightenment that opened her eyes to the significance of, and reasons for, her presence on earth.

In addition to the text, each page includes beautiful black and white or color illustrations (on heavy paper) for a better conveyance of the mood of the Sensations, Emotions, Thoughts, Dreams.

Copies are numbered and autographed by the author.
