### ***The Dandelion Field***

This handsome firefighter makes a living coming to the rescue, but Gin doesn't need a man to fight her battles.

After Raine's dad walked out, Ginevieve Lightly never lived in one place too long, a rambling lifestyle that defined her daughter's youth. When their car dies in Banister Falls, Wisconsin, Gin promises Raine they can stay until she finishes her senior year of high school. Gin will do anything to make sure her daughter has a bright future . . . a future that's compromised when Raine reveals she's pregnant.

Dan Moretti has only ever called Banister Falls home. After losing his best friend in a tragic accident, Dan devoted himself to responding to fires, rescuing the helpless, and guiding Cody Bennett, his best friend's son, through life. With Cody being the epitome of the good kid, it was an easy job. Until he says four little words: "The baby is mine."

As Gin and Dan do the best they can to guide the two teenagers through their early entry into adulthood, they discover together that romance can bloom in the rockiest of situations. And God can turn the pieces of a broken past into a beautiful new beginning.

### ***The Hearts We Mend***

Planning and Post-It notes are the epitome of Evie's life. But when she meets Jack, her life gets more than a little complicated.

Thirteen years ago, Evie's firefighter husband was killed in the line of duty, leaving her to raise their young son, Cody, alone. Now, Cody is marrying the love of his life, and as he packs up his belongings, the house feels as empty as Evie's heart. But for all her planning and mad organizational skills, Evie could never have anticipated the dramatic shift her life is about to make.

Tattooed, rough-around-the-edges Jack raises quite a few eyebrows in the tight-knit community of Banister Falls. Where Evie's life is stream-lined, Jack's approach to living is moment-by-moment. But as Evie gets drawn into Jack's world—a world that isn't as safe or predictable as the one she's worked so hard to create—he challenges her to open her eyes to the problems outside the walls of the church.

Jack doesn't make Evie feel comfortable, but he definitely makes her feel something. Something she hasn't felt since Max passed away—or, maybe ever. Because even though Jack isn't anything like her late husband, he just might be everything she needs.
