In each installment of *7 Hours*, a character is visited by the enigmatic Thomas Constant, who makes a heart-stopping statement: “You are about to die. But you may choose from one of three options: Live seven more hours, travel back in time and relive seven hours, or accept the inevitable and die now.”

Thomas Constant ventures to a mansion on a remote island, where a powerful criminal empire is gathering to witness the final moments of one of their own and readying their latest dark and dangerous plot.

They weren’t always this way. They were once ordinary people like anyone else. But a lifetime of complicated circumstances and difficult choices slowly molded them into this shadowy organization.

Can their long, complex history be changed by seven hours? The end has come, but this last leg of Thomas’s experiment may be the most challenging task of his remarkable life.

The clock is ticking. What will you do with the time you have left?
