Loretta Napoleoni

Economia canaglia (Saggi. Tascabili) (Italian Edition) Loretta Napoleoni

I consumatori vivono oggi in un mondo virtuale idilliaco costruito dai media. Intrappolati in una fitta ragnatela di chimere economiche e politiche, i cittadini ne sono spesso (e inconsapevolmente) parte integrante. Ma la realtà economica globale è un pianeta che muta con sconcertante intensità e rapidità. A gestirlo è l'economia canaglia, una forza indomabile in mano a nuove generazioni di spregiudicati uomini d'affari, imprenditori e finanziari. I cittadini alimentano un subdolo meccanismo che li danneggia. Ma tutto ciò è già successo. Attraverso esempi concreti, Loretta Napoleoni descrive l'avvento e la diffusione dell'economia canaglia, invitandoci ad aprire gli occhi e a conoscere veramente il mondo in cui viviamo: dalla caduta del Muro di Berlino, attraverso gli anni novanta, la rivoluzione cibernetica, il diffondersi della pirateria fino alla tragedia delle Torri Gemelle e alla costruzione dell'impero economico cinese e di quello finanziario islamico.
