Plender Ted Lewis

From the author of *Get Carter* and *GBH* comes a tense and psychologically complex tale of revenge and blackmail that rightfully belongs among Ted Lewis's greatest work.

Two men share a common history. Growing up together in the small town of Barton-Upon-Humber in Lincolnshire, England, Peter Knott is everything that Brian Plender wishes he were. Knott is suave, good-looking, an exemplary student and popular. The friendship they maintain is as important to Plender as it is forgettable to Knott, and eventually leads to a lasting humiliation for Brian.

Years later Brian Plender is a dangerous man. A private investigator who specializes in extortion, blackmail, and intimidation, Plender is a manipulative psychopath capable of anything should it improve his status. Knott meanwhile is a family man adrift, beholden to his wife for money, which he makes photographing catalogs for her father's large mail order company. His wandering eye and a taste for younger women, lingerie—something his wife doesn't altogether go for—and access to a parade of girls looking to break into modeling has led Knott through a series of sordid affairs.

When at a bar, which he uses to set up marks, Plender spots Knott with a girl too young to be his wife and he decides to follow the pair and see what happens. At first it's out of curiosity but soon it turns to a darker, more opportunistic motivation. What follows is an edge-of-your-seat trip into a nightmare that manages to be both incredibly creepy and eerily profound.

From reader reviews:

Deborah Green:

Playing with family within a park, coming to see the ocean world or hanging out with close friends is thing that usually you might have done when you have spare time, after that why you don't try matter that really opposite from that. A single activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Plender, you may enjoy both. It is excellent combination right, you still wish to miss it? What kind of hang-out type is it? Oh come on its mind hangout people. What? Still don't buy it, oh come on its identified as reading friends.

Patricia Stroud:

Reading a book to be new life style in this calendar year; every people loves to study a book. When you examine a book you can get a lot of benefit. When you read textbooks, you can improve your knowledge, mainly because book has a lot of information in it. The information that you will get depend on what forms of book that you have read. If you want to get information about your analysis, you can read education books, but if you act like you want to entertain yourself read a fiction books, this kind of us novel, comics, and also soon. The Plender will give you new experience in examining a book.

Phillip Elliott:

On this era which is the greater particular person or who has ability in doing something more are more precious than other. Do you want to become considered one of it? It is just simple method to have that. What you have to do is just spending your time not very much but quite enough to possess a look at some books. One of the books in the top list in your reading list is actually Plender. This book that is qualified as The Hungry Hills can get you closer in becoming precious person. By looking way up and review this reserve you can get many advantages.

Harold Thompson:

Many people said that they feel weary when they reading a guide. They are directly felt the item when they get a half regions of the book. You can choose typically the book Plender to make your reading is interesting. Your own skill of reading ability is developing when you including reading. Try to choose basic book to make you enjoy you just read it and mingle the opinion about book and studying especially. It is to be initial opinion for you to like to wide open a book and study it. Beside that the reserve Plender can to be your brand-new friend when you're feel alone and confuse in doing what must you're doing of this time.
