Preaching and Teaching the Last Things: Old Testament Eschatology for the Life of the Church

Walter C. Jr. Kaiser

Firmly believing that the Old Testament offers important insights into biblical eschatology and the Christian life, Walter Kaiser provides preachers, teachers, and Bible students with guidance for expositing fifteen key Old Testament eschatological passages. Each chapter focuses on a single biblical text. Kaiser introduces the topic, examines the issues, notes who has contributed to some of the solutions, and shows how this sets up the text to be exegeted and prepared for exposition.

"What can we know about eschatology from Scripture, especially the Old Testament? Walter Kaiser's *Preaching and Teaching the Last Things* shows us that we can know quite a lot. This is a helpful work for those who wonder how to preach or teach about the end with balance and clarity."

--**Darrell L. Bock**, past president of the Evangelical Theological Society; Research Professor of New Testament Studies, Dallas Theological Seminary

"Walt Kaiser has offered a powerful and practical model for preaching and teaching the prophetic plan of God. His straightforward interpretation of the future provides strong support for a future, literal, earthly reign of the Messiah over the world from Jerusalem. Through the exposition of key prophetic texts, Kaiser shows the premillennial position to be both an Old and New Testament expectation."

--**Mark L. Bailey**, president, Dallas Theological Seminary
