What should have been a normal day for Romia Smith turned into a life-changing chain of events. She was a high-heeled, leather wearing, skilled in the martial arts, and motorcycle riding bad-to-the-bone chick. The symbol of the Phoenix she has everywhere represents more than her strength. On that day someone frames her for the death of a man she does not even know and the worst part is. . .she is a cop. However, as the pieces began to fall into place, Romia was not sure about what was real and what was a lie. Her instincts told her to trust no one. Will her life ever be normal again? Or would she rise up out of the ashes like a Phoenix into a new and exciting life?
