"Gibler is something of a revelation, having been living and writing from Mexico for a range of progressive publications only since 2006, but providing reflections, insights, and a level of understanding worthy of a veteran correspondent."—*Latin American Review of Books*

Combining on-the-ground reporting and in-depth discussions with people on the frontlines of Mexico's drug war, *To Die in Mexico* tells behind-the-scenes stories that address the causes and consequences of Mexico's multibillion dollar drug trafficking business. John Gibler looks beyond the myths that pervade government and media portrayals of the unprecedented wave of violence now pushing Mexico to the breaking point.
