O árabe do futuro: Uma juventude no Oriente Médio (1978 - 1984) (Portuguese Edition) Riad Sattouf

Nascido na França em 1978, filho de pai sírio e mãe bretã, Riad Sattouf viveu uma infância peculiar. Ele tinha apenas três anos quando o pai recebeu um convite para lecionar em uma universidade da Líbia. Em Trípoli, o menino entrou em contato com uma cultura completamente distinta e precisou superar o estranhamento diante de novos costumes — experiência que se repetiria pouco depois na Síria, quando o pai foi trabalhar lá.

Com o olhar inocente de uma criança, Riad oferece um importante relato sobre os contrastes entre a vida plácida na França socialista de Mitterrand e os regimes autoritários na Líbia de Kadafi e na Síria de Hafez al-Assad. A partir de suas próprias lembranças e sensações, o autor descreve como foi adaptar-se a realidades tão díspares e mostra detalhes de sua vida em família e da relação com outras crianças.

O árabe do futuro é um relato literário pleno em forma de graphic novel: com traço simples e narrativa fluida e descontraída, Riad fornece ao mesmo tempo uma análise antropológica do embate entre o Ocidente e o mundo árabe e um autorretrato de sua própria infância plural.

“Com seu traço e olhar de hoje avivados pelos suvenires de outrora, Sattouf retrata uma miríade de curiosos personagens, por meio de um relato íntimo repleto de anedotas em meio a singulares contextos políticos, sociais e religiosos.” **O Globo**
