Now, you have a diverse team of nearly thirty youth ministry practitioners working for you—and they've put together more than 100 studies that will make your job easier while helping your students dig into the Bible.

Whether you lead them yourself or hand the lessons over to your volunteers, each lesson is easy to implement and can be used alone or combined with lessons that have already been planned. You'll also find a searchable CD-ROM, making it easier than ever to find exactly what you need to help lead your students deeper into the life-changing books from the New Testament.
