Casa Yucatan (pb) Joe P. Carr, Karen Witynski

A dazzling photographic journey, Casa Yucatan focuses on architectural elements, water spaces, and open-air living in houses both colonial and contemporary, including haciendas and coastal retreats. The Yucatan has undergone a remarkable restoration renaissance of late: ancient pyramids now share the dense jungle landscape with revived haciendas, and colonial homes boasting high-beamed ceilings and cool tile floors posture amidst elegant plazas and renovated nineteenth-century mansions.

Based in Austin, Texas, Witynski and Carr are the owners of Texture Antiques, a gallery specializing in Mexican furniture, architectural elements, contemporary art, and accents. Individually, Witynski writes on home and garden design for national publications, including This Old House magazine, and Carr designs furniture from recycled Mexican wood. Together, they divide their time between their Austin, Texas home and the Yucatan Hacienda.
