**Ma la palla è davvero rotonda ? (Italian Edition)** P. Sacchi

Ogni giorno un numero indefinito di appassionati sparsi in tutto il mondo si collegano ad uno dei tanti manageriali di calcio presenti sul Web per occuparsi della propria squadra.

Allenamenti, formazioni, tattiche, trasferimenti, finanze, stadio: un bravo manager deve occuparsi di tutto quanto serve per portare la sua squadra sempre più in alto e competere ai massimi livelli.

Un mondo di personaggi virtuali prende forma in questo libro dove l'autore immagina che una squadra abbandonata da un presidente deluso prosegua il campionato grazie all'intraprendenza del suo capitano e di un ex calciatore poco rispettoso delle regole, che faranno di tutto per assicurare un futuro al loro club.

Tenacia, determinazione e passione si scontreranno con un regolamento spietato e con imprevisti di ogni sorta che faranno vacillare anche i più sani principi.

Gli appassionati di calcio e non solo finiranno col fare il tifo per il Castelborgo FC del capitano Franco Scaroni e scopriranno che la differenza tra realtà e fantasia, in questo caso, non è poi così evidente.
