RAF REGIMENT AT WAR 1942-1946, THE Kingsley Oliver

Born out of necessity in the dark days of the War, the RAF Regiment found itself in the thick of the action supporting the vital operations in all theaters. This comprehensive record of their operations gives the clearest indication of the contribution that the Regiment made and includes many first hand accounts of the fighting, including the first shooting-down of a jet aircraft, the Me 262A-2a Sturmvogel in November 1944. As a result of their outstanding contributions to the success of RAF operations in WW2, the Regiment became a permanent part of the RAF.

This is the official history of the RAF Regiment from its foundation 60 years ago to the aftermath of hostilities.
