Chosen: An autobiography Michele Guinness

Michele Guinness was brought up to observe all the traditions and ritual of her Jewish culture. But in her teens she found something lacking. When she encountered a Christian it raised questions in her own mind, and she turned to the Bible for answers. In this lively account she tells how she came face to face with the Messiah and had to make sense of being both Jewish and Christian. In due course she would marry Peter Guinness, of the brewing family - who would become a minister in the Church of England. This highly diverting autobiography, studded with vivid anecdotes, describes her spiritual journey from one faith to another and the social and cultural pitfalls involved.
