**Seventeen-year-old Jet Black is a ninja. There's only one problem—she doesn't know it.**

Jet has never lived a so-called normal life. Raised by her single Japanese mother on a Navajo reservation in the Southwest, Jet's life was a constant litany of mysterious physical and mental training. For as long as Jet can remember, every Saturday night she and her mother played "the game" on the local mountain. But this time, Jet is fighting for her life. And at the end of the night, her mother dies and Jet finds herself an orphan—and in mortal danger.

Fulfilling her mother's dying wish, Jet flies to Japan to live with her grandfather where she discovers she is the only one who can protect a family treasure hidden in her ancestral land. She's terrified, but if Jet won't fight to protect her world, who will? Stalked by bounty hunters and desperately attracted with the man who's been sent to kill her, Jet must be strong enough to protect the treasure, preserve an ancient culture and save a sacred mountain from destruction.
