**Appraising Research into Childbirth: An Interactive Workbook, 1e** Sara Wickham RM MA BA(Hons) PGCE(A)

This title is directed primarily towards health care professionals outside of the United States. Concentrating specifically on research into midwifery and related disciplines, this book appraises eight previously published research articles that present both qualitative and quantitative research studies. Each of the various elements is analysed - from the methodology through to the interpretation of the results. Each article is annotated with notes and questions, thereby enabling the reader to actively participate in the appraisal.
