## **Gardens in Provence** Louisa Jones

Ever since the nineteenth century Provence has fascinated its numerous visitors. The heart of Provence-the lower Rhone valley-offers an incomparable range of sites: Roman ruins, winding Renaissance hill towns, and labyrinthine grottoes dominated by lofty peaks. Yet the gardens of Provence have remained as secret as the region itself is celebrated. Gardens in Provence takes its readers on a fascinating private tour of some of the loveliest hidden treasures in the south of France. Author Louisa Jones spent more than five years visiting nearly two hundred gardens and her lively and informative text marries history and horticulture, conveying all the charm of the region. With its extensive plant list and visitor's guide, this book is an unending source of inspiration for garden lovers. Spectacular photographs by Vincent Motte capture all the color, beauty, and magic of this patch of heaven on earth.
