"Our congregations will find in this songbook music that will shape our community and give new voice to our values as we move forward, supporting our deepening faith and a more effective voice for justice."-- William Sinkford This 75-song supplement presents an exceptional variety of music for congregational singing. "We live in an experiential age, a subjective time, and the new supplement reflects this. Move me emotionally, we are saying, and I will then move intellectually and morally. Inspiration is what we want. Singing the Journey provides it in spades. " --W. Frederick Wooden, UU World
