The Bloomsbury Companion to Stylistics (Bloomsbury Companions) Bloomsbury

This *Bloomsbury Companion* provides an overview of stylistics with a detailed outline of the scope and history of the discipline, as well as its key areas of research.

The main research methods and approaches within the field are presented with a detailed overview and then illustrated with a chapter of unique new research by a leading scholar in the field. The Companion also features in-depth explorations of current research areas in stylistics in the form of new studies by established researchers in the field. The broad interdisciplinary scope of stylistics is reflected in the wide array of approaches taken to the linguistic study of texts drawing on traditions from linguistics, literary theory, literary criticism, critical theory and narratology, and in the diverse group of internationally recognised contributors.
