The Lantern

Deborah Lawrenson

The Lantern Deborah Lawrenson

Set in the lush countryside of Provence, Deborah Lawrenson's *The Lantern* is an atmospheric modern gothic tale of love, suspicion, and murder, in the tradition of Daphne du Maurier's *Rebecca*. Drawn to a wealthy older man, Eve embarks on a whirlwind romance that soon offers a new life and a new home—Les Génévriers, a charming hamlet amid the fragrant lavender fields of Provence. But Eve finds it impossible to ignore the mysteries that haunt both her lover and the run-down old house. The more reluctant Dom is to tell her about his past, the more she is drawn to it—and to the mysterious disappearance of his beautiful ex-wife. An evocative tale of romantic and psychological suspense, *The Lantern* masterfully melds past and present, secrets and lies, appearances and disappearances—along with our age-old fear of the dark.

From reader reviews:

Hans Diaz:

Book is definitely written, printed, or highlighted for everything. You can recognize everything you want by a reserve. Book has a different type. We all know that that book is important thing to bring us around the world. Close to that you can your reading proficiency was fluently. A publication The Lantern will make you to always be smarter. You can feel more confidence if you can know about everything. But some of you think in which open or reading the book make you bored. It is not necessarily make you fun. Why they could be thought like that? Have you in search of best book or ideal book with you?

Raymond Simmons:

What do you about book? It is not important to you? Or just adding material when you want something to explain what the ones you have problem? How about your extra time? Or are you busy person? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have extra time? What did you do? Everyone has many questions above. They need to answer that question mainly because just their can do in which. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on pre-school until university need this kind of The Lantern to read.

Effie Peoples:

Reading a guide can be one of a lot of activity that everyone in the world adores. Do you like reading book thus. There are a lot of reasons why people love it. First reading a reserve will give you a lot of new data. When you read a book you will get new information mainly because book is one of a number of ways to share the information or perhaps their idea. Second, reading a book will make you actually more imaginative. When you studying a book especially fiction book the author will bring you to definitely imagine the story how the character types do it anything. Third, you could share your knowledge to others. When you read this The Lantern, you may tells your family, friends as well as soon about yours guide. Your knowledge can inspire the mediocre, make them reading a e-book.

Alice Scales:

Typically the book The Lantern has a lot of information on it. So when you read this book you can get a lot of benefit. The book was published by the very famous author. The author makes some research before write this book. That book very easy to read you can find the point easily after reading this article book.
