Mystery and Mail Order Box Set (5 in 1)

Book One: Two Girls and a Dead Case

Two Girls and a Dead Case starts with your typical lifelong friendship of two girls who are drawn together by their similar names and then bond. After exploring what the world has in store for them they come back and open a detective agency in their small town where nothing really happens. If it wasn't for a recurring client who only seems to show up when they need the money the most they would be two broke girls with nothing better to do.

Book Two: Rounding Up the Mavericks

When Josephine Ann Clemente is forced to travel from Virginia to Texas by train to meet the man her father has arranged for her to marry, she soon finds out that Texans can sometimes be too much to handle. When she meets a nosy traveled named Emmet Stone, she spends the remainder of her journey trying to avoid him. Little does she know, however, that he will soon cross her path again.

Book Three: The Art of the Kiss and Other Mysteries

Dianna seemed to be an ordinary girl back in junior high. But there was something people didn't know about her. Some sort of a secret she unraveled years later – her life was completely changed by...two kisses. As simple as it may sound, those kisses determined her life once and forever.

The first one was...Ugh...definitely not the one every little girl dreams of. Is life really so unfair? Is fate so sadistic? Or maybe they are just preparing a big surprise? Dianna got a second chance and her second kiss was more than enough to make up for the first one. So was the third and the fourth and...

Book Four: A Classic Case of Murder

Ben and Mark, from the Clements Police Department, are investigating a pretty classic case of murder. Carrie Wellington, a famous writer, was murdered in her own car. What a tragic loss! She was such a nice woman, kind and generous! Who would think she'd end up strangled with ...a guitar string?

Book Five: Murder for the Books

This story is about Chief Inspector Mark Bullard and his junior partner, Detective Sargent Ben Keyes. They are investigating a murder with no evidence to point them in any direction. Soon after, they begin an

investigation on a second murder, this time with more leads and clues. Both men instinctively feel the murders are somehow connected but find only subtle similarities that may or may not mean they are related. When a third murder occurs, the two detectives are finally able to connect the dots and but will they find a killer.
