One Minute to Midnight

Michael Dobbs

One Minute to Midnight Michael Dobbs

In October 1962, at the height of the Cold War, the United States and the Soviet Union came to the brink of nuclear conflict over the placement of Soviet missiles in Cuba. In this hour-by-hour chronicle of those tense days, veteran *Washington Post* reporter Michael Dobbs reveals just how close we came to Armageddon.

Here, for the first time, are gripping accounts of Khrushchev's plan to destroy the U.S. naval base at Guantánamo; the handling of Soviet nuclear warheads on Cuba; and the extraordinary story of a U-2 spy plane that got lost over Russia at the peak of the crisis.

Written like a thriller, **One Minute to Midnight** is an exhaustively researched account of what Arthur Schlesinger, Jr. called “the most dangerous moment in human history,” and the definitive book on the Cuban missile crisis.

From the Trade Paperback edition.
