This book is a guide to introducing the craft of playwriting into the secondary English curriculum at key stage 3, using the TEEP (Teacher Effectiveness Enhancement Programme) framework. The authors also provide a particular focus on applying this versatile scheme of work to other areas of the curriculum, including Citizenship and PSHE. Playwriting Across the Curriculum also contains schemes of work for: ? pupils with special educational needs (SEN) ? pupils with English as an additional language (EAL) ? adaptation to Adult Literacy Core Curriculum. Its coverage of specific plays as part of the scheme ensures that students will engage with contemporary writing in their learning.
