The Husband Habit Alisa Valdes-Rodriguez

Why does Vanessa keep falling for married men?

Not that she *knows* she does. At least not at first. But every man who seems like he might be the one turns out to be someone else's. So maybe the right thing to do is take a vow to stay single, to keep away from all men, until she can figure things out.

At least work is a bright spot: It's an anchor to be so good at something, to lose yourself in your job, and Vanessa is a whiz of a chef, so good she makes her grandstanding boss, Hawk—of Albuquerque's chic Nuevo American restaurant *hawk*—look good. After all, it's his name on the awning above the door. If only her friends and family would get on board with Vanessa's plan and stop trying to fix her up. If she can't fix her life, nobody else is going to get the chance to try—not her parents, not her friends, and certainly not her ultra-well-meaning but just-not-getting-it sister, Larissa.

And nothing could be more with the plan than helping out at her parents' house—gardening, keeping them fed, getting them organized with her loyal pet Red Dog by her side. Red Dog is all the companionship she needs. Until Vanessa meets Paul, her parents' neighbor—he's all wrong on paper, but he's got great manners and certainly seems safe. Not bad in the kissing department, either. But just when Vanessa's guard goes down, the red flag goes up: Could Paul be yet another married man?

Bursting with Alisa Valdes-Rodriguez's trademark wit and originality, *The Husband Habit* introduces a rich and complex heroine in chef Vanessa. You're not going to want to leave her world when the novel comes to an end.

From reader reviews:

James Marcus:

What do you think about book? It is just for students because they are still students or the item for all people in the world, what the best subject for that? Only you can be answered for that problem above. Every person has different personality and hobby for each other. Don't to be forced someone or something that they don't wish do that. You must know how great as well as important the book The Husband Habit. All type of book can you see on many solutions. You can look for the internet options or other social media.

Cornelius Ryerson:

Reading a book for being new life style in this yr; every people loves to study a book. When you study a book you can get a wide range of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information onto it. The information that you will get depend on what types of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself read a fiction books, these kinds of us novel, comics, in addition to soon. The The Husband Habit will give you new experience in looking at a book.

William Copeland:

Is it you actually who having spare time and then spend it whole day by means of watching television programs or just laying on the bed? Do you need something new? This The Husband Habit can be the answer, oh how comes? The new book you know. You are and so out of date, spending your spare time by reading in this fresh era is common not a nerd activity. So what these publications have than the others?

Troy Kemp:

What is your hobby? Have you heard that will question when you got pupils? We believe that that issue was given by teacher to the students. Many kinds of hobby, Everybody has different hobby. Therefore you know that little person like reading or as reading through become their hobby. You need to understand that reading is very important in addition to book as to be the point. Book is important thing to include you knowledge, except your own teacher or lecturer. You get good news or update regarding something by book. Different categories of books that can you take to be your object. One of them is this The Husband Habit.
