God Grant It C F W Walther

This is a translation of the collection of lectionary-based devotions for the entire church taken from Walther's sermons and published by CPH in 1894. The translation aims to retain particular relevance for modern readers. Beginning with the first week of Advent, God Grant It provides a daily devotion for each day in the year, placing particular significance on the church year. Through these classic sermons of Walther, the modern reader will be reminded that God's mercies are new every day, that His mercies are ours by the work of our Lord Jesus Christ. Translated into modern English, these readings are intended to encourage the laity, as well as pastors, and affirm them in their daily lives as redeemed children of God. Each devotion is accompanied by a Scripture reference and a hymn verse. The daily devotion will take less than ten minutes to read.
