Woody Guthrie

House of Earth: A Novel Woody Guthrie

Finished in 1947 and lost to readers until now, *House of Earth* is legendary folk singer and American icon Woody Guthrie's only finished novel. A powerful portrait of Dust Bowl America, it's the story of an ordinary couple's dreams of a better life and their search for love and meaning in a corrupt world.

Tike and Ella May Hamlin are struggling to plant roots in the arid land of the Texas panhandle. The husband and wife live in a precarious wooden farm shack, but Tike yearns for a sturdy house that will protect them from the treacherous elements. Thanks to a five-cent government pamphlet, Tike has the know-how to build a simple adobe dwelling, a structure made from the land itself—fireproof, windproof, Dust Bowl-proof. A house of earth.

A story of rural realism and progressive activism, and in many ways a companion piece to Guthrie's folk anthem "This Land Is Your Land," *House of Earth* is a searing portrait of hardship and hope set against a ravaged landscape. Combining the moral urgency and narrative drive of John Steinbeck with the erotic frankness of D. H. Lawrence, here is a powerful tale of America from one of our greatest artists.

An essay by bestselling historian Douglas Brinkley and Johnny Depp introduce *House of Earth*, the inaugural title in Depp's imprint at HarperCollins, Infinitum Nihil.
