## **How to Solve Almost Any Problem** Alan Barker

Problems block and slow down your progress; here's how to overcome them—simply, efficiently and effectively.

This book offers straightforward, empowering science-based solutions to problems, big and small, at work or in life. It takes a never before seen approach to problem solving, powerfully combining lessons from cognitive science, established problem-solving theory and vast practical experience. It includes a radical new approach to analysing problems: *The Problem Matrix*. This will transform your approach to problems, challenge your thinking and help you develop new, positive, solution-focussed mindsets for the long-term.
