The Verdon Gorge, often known as Europe's Grand Canyon, is one of the most extraordinary landscape features of southern France. Photographer Chris Hellier takes us on an inspiring trip along its thirty kilometre length, from the Alpine village of Castellane, dominated by its iconic rock, via the vertiginous cliffs of Escales and Robion, to the turquoise-blue waters of Sainte Croix Lake. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
