## **Life and Times in Nazi Germany** Lisa Pine

Lisa Pine assembles an impressive array of influential scholars in *Life and Times in Nazi Germany* to explore the variety and complexity of life in Germany under Hitler's totalitarian regime. The book is a thematic collection of essays that examine the extent to which social and cultural life in Germany was permeated by Nazi aims and ambitions. Each essay deals with a different theme of daily German life in the Nazi era, with topics including food, fashion, health, sport, art, tourism and religion all covered in chapters based on original and expert scholarship.

*Life and Times in Nazi Germany*, which also includes 24 images and helpful end-of-chapter select bibliographies, provides a new lens through which to observe life in Nazi Germany – one that highlights the everyday experience of Germans under Hitler's rule. It illuminates aspects of life under Nazi control that are less well-known and examines the contradictions and paradoxes that characterised daily life in Nazi Germany in order to enhance and sophisticate our understanding of this period in the nation's history.

This is a crucial volume for all students of Nazi Germany and the history of Germany in the 20th century.
