Boone Fairway worked hard to buy her own bar and now reaps the benefits. She's a partier and loves the different women she meets at the bar. When she meets Grey Dawson, she hopes she'll be one in her string of women. Grey has different ideas. She works at a domestic abuse shelter and feels that bars are a main contributor of abuse.

When Boone's sister-in-law shows up at Boone's bar, beaten by her husband, Boone turns to Grey for help. They work together to help Phoebe and begin a budding relationship. The relationship is strained by Boone's drinking and the bar, which Grey has a hard time accepting as just a social gathering point. Both women were raised in abusive environments and work hard to overcome their fears and insecurities to make the relationship work.
