The Accessible Game Book contains games specifically chosen or adapted for mixed groups including people with auditory or visual impairments, those in wheelchairs, and those with multiple disabilities. The games can also be used as a means of improving disability awareness among the non-disabled, and have been used successfully in the rehabilitation of stroke victims and groups of people of all abilities and ages. Each game is explained clearly, with symbols to indicate the level of ability, suggestions for elaborations or modifications, and important points to remember. Full details are given on any materials required for the games and whether the game requires small (fewer than 10 people), medium (10-40) or large (40 or more) groups. The Accessible Games Book is an important resource for those running playschemes or youth groups, or in training or educational situations.
