The feud between YaYa and Leah has ruined the lives of everyone around them. In The Prada Plan 4, the animosity is alive, and resentments run deeper than ever.

Indie has watched YaYa's past destroy the woman he once knew, and his patience has run thin. After being left at the altar, he is heartbroken and confused. His quests to save YaYa from herself have failed, and he finally decides that it's time to let the love of his life go. Her thirst for blood is unquenchable, and like a black hole she sucks the life out of everything around her. If he doesn't cut his ties, he knows that YaYa will cripple him and destroy their family in the process. Then he receives a phone call stating that YaYa is in trouble, and his entire world crumbles at his feet.

Who lives and who dies? Will YaYa's addiction to Leah stop her from living her happily ever after? Will the infamous bad girl Leah ever receive her karma? The final book of the Prada Plan series will leave readers breathless as they flip the pages trying to race to the finish. Ashley Antoinette is back and better than ever with this sexy street tale.
