WordPress Website (Italian Edition)

Cosè Murciano

WordPress Website (Italian Edition) Cosè Murciano

Questo eBook spiega in poche pagine come creare un sito web o un blog partendo da zero e utilizzando il Software web WordPress.

Descrive con chiarezza e semplicità quali sono i passi da seguire per creare un sito web senza commettere errori, spesso molto costosi in termini di tempo e di denaro.

Suggerisce come dare un aspetto professionale al proprio sito web e come renderlo realmente funzionale ed utile per l'utente finale.

L'approccio di questa guida è fortemente pratico e volutamente sintetico: contiene tutte le informazioni utili che solitamente sono diluite in numerosi eBook per vari argomenti, scoraggiando così quanti vorrebbero realizzare con le proprie capacità e con le proprie idee un sito web o un blog.

Questa guida, inoltre, fornisce un elenco di semplici ma fondamentali "regole universali" su come ottimizzare il sito per i motori di ricerca.

Come premesso, non è necessaria nessuna conoscenza tecnica, di sviluppo o di web design per realizzare la propria mission, basta seguire quanto suggerito e... il proprio estro!
