Bug Detective Maggie Li

From creepy-crawly beetles and scary spiders to beautiful butterflies, this playful guide will reach out and grab bug-crazy kids! Funny, picture-packed pages provide tons of information on bug habitat, feeding rituals, predators, and more, while each spread focuses on one creature-like bees or centipedes—with a brief introduction and facts scattered brightly everywhere. Plus, the book comes with a magnifying glass embedded in the cover, so budding "detectives" can complete the "missions" they'll find throughout, along with additional activities in the back.
