Cruise Ship SOS Ben MacFarlane

Who gets the call if it all goes wrong at sea?

Meet Dr Ben MacFarlane. After spending a year as a repatriation doctor, he's heading around the world as a ship's doctor - and with 3,000 passengers and crew to look after he's in for the most exciting trip of his life.

On one dramatic voyage he deals with broken bones and broken hearts, and picks up the pieces after fights in the crew bar and freak accidents on shore leave.

So join Ben and his colleagues and find out why ship's doctors think bar stools should carry health warnings, why the casino can be safer than the sick bay in a storm and why no amount of sharks, pirates or tidal waves will ever be as dangerous as the midnight buffet.

From reader reviews:

Debbie Brown:

What do you in relation to book? It is not important with you? Or just adding material when you want something to explain what the ones you have problem? How about your extra time? Or are you busy particular person? If you don't have spare time to do others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Every individual has many questions above. They need to answer that question due to the fact just their can do in which. It said that about e-book. Book is familiar on every person. Yes, it is proper. Because start from on kindergarten until university need this specific Cruise Ship SOS to read.

Cora Conte:

Nowadays reading books become more and more than want or need but also become a life style. This reading routine give you lot of advantages. The advantages you got of course the knowledge even the information inside the book that will improve your knowledge and information. The data you get based on what kind of book you read, if you want attract knowledge just go with training books but if you want truly feel happy read one with theme for entertaining such as comic or novel. The actual Cruise Ship SOS is kind of book which is giving the reader capricious experience.

Kevin Caputo:

A lot of people always spent their own free time to vacation or go to the outside with them loved ones or their friend. Were you aware? Many a lot of people spent many people free time just watching TV, or playing video games all day long. If you would like try to find a new activity that's look different you can read some sort of book. It is really fun in your case. If you enjoy the book that you simply read you can spent the entire day to reading a book. The book Cruise Ship SOS it is extremely good to read. There are a lot of people who recommended this book. We were holding enjoying reading this book. If you did not have enough space to develop this book you can buy often the e-book. You can m0ore quickly to read this book out of your smart phone. The price is not very costly but this book provides high quality.

Guadalupe McCoy:
