HEY: B.C.: The Wildly Improbable History of a Stone-Age Adventurer Johnny Hart

The wildly improbable history of a stone-age adventurer! Hey! B.C. Are you for real? What are you--the caveman's thinking man's thinking man? A neanderthal nebish? Bone-age beatnik? Or what? Nevermind. The New York Herald Tribune says you and all those other missing-link characters you hang out with are "a great and hilarious pleasure." And Newsweek says you are "one of the country's hottest comic strips." Man, you got it made. You're so far out you're back in. We dig you, B.C. Us cats up here in the 20th century. And, boy, do you ever dig us!
