Jackie: Her Life in Pictures

James Spada

Jackie: Her Life in Pictures James Spada

A legendary life shown in rare, mostly never before published photographs. Arguably the most famous woman of the twentieth century, certainly one of its most photographed, Jacqueline Bouvier Kennedy Onassis lived an astonishing life; her popularity and the fascination she held for people the world over during her nearly sixty years in the spotlight can hardly be overestimated. And while that has led to a number of books about her, none has told her life story in the way this one does--entirely in photographs, from birth to death, with lively, anecdotal extended captions. Of the 251 photographs in *Jackie: Her Life in Pictures*, 165 have never been published, 58 have rarely been published (in newspapers or magazines but never in book form), and 28 are inescapable images that have been seared into the memories of everyone. Together with the text by James Spada that runs alongside them, these pictures tell the story of an American life that became legendary even while it was being lived, a story that will speak afresh to the hearts of all Americans.
