Providing practical guidance on enhancing learning through ICT in English this book is made up of a series of projects that supplement, augment and extend the QCA ICT scheme and provide much-needed links with Units in other subjects' schemes of work. It includes:

- fact cards that support each project and clearly outline its benefits in relation to teaching and learning
- examples of how activities work in "real" classrooms
- links to research, inspection evidence and background reading to support each project
- adaptable planning examples and practical ideas provided on an accompanying CD ROM.

Suitable for all trainee and practising primary teachers.
