Whether or not we survive physical death is one of humanity's most fundamental concerns. Here Dr. Gauld draws on a century of evidence - mediumship, reincarnation, obsession, possession, hauntings and apparitions all seem to indicate survival. This is a compulsively readable assessment of evidence for and against survival and an excellent introduction to the field of psychical research.

The Paranormal, the new ebook series from F&W Media International Ltd, resurrecting rare titles, classic publications and out-of-print texts, as well as new ebook titles on the supernatural - other-worldly books for the digital age.
