## **The Inward Morning: A Philosophical Exploration in Journal Form** James Kilgo

When first published in 1958, *The Inward Morning* was ahead of its time. Boldly original, it blended East and West, nature and culture, the personal and the universal. The critical establishment, confounded, largely ignored the work. Readers, however, embraced Bugbee's lyrical philosophy of wilderness. Throughout the 1960s and 1970s this philosophical daybook enjoyed the status of an underground classic.

With this paperback reissue, *The Inward Morning* will be brought to the attention of a new generation. Henry Bugbee is increasingly recognized as the only truly American existentialist and an original philosopher of wilderness who is an inspiration to a growing number of contemporary philosophers.
