The Lodger

Marie Belloc Lowndes

The Lodger Marie Belloc Lowndes

"One of the best suspense novels ever written." — *The New York Times*

"This is a beautifully wrought novel of psychological suspense that should have a place on any mystery buff's shelf of classics." — *Chicago Sun-Times*

"The Ripper murders still arouse excitement, and *The Lodger* has lost none of its hushed, chilling terror over the years." — *The Dood Review of Mystery*

Inspired by the notorious Whitechapel murders, this 1913 thriller first appeared when Jack the Ripper's brutal crimes were well within living memory. Time has done nothing to diminish the popular fascination with the serial killings. This gripping tale of an elderly English couple's growing suspicions of their sinister boarder has served as the basis for several movies, including one of Alfred Hitchcock's first films.
