What happens when your best hope for the future is through the past?

Voice-over artist Alice avoids telling the truth. It's not lying, exactly, and the freedom of reinvention makes those tough years in the past a little easier to bear. So when she meets writer Clayton Miller, she recognizes the suspicious signs of someone who wants to shrug off his old life. Untangling the web of secrets they've constructed creates an unlikely friendship-until Alice discovers that Clayton has betrayed her in the worst possible way.

The author of fifteen international bestsellers, Erica James deftly explores infidelity, bereavement, and the bonds of family with a sparkling voice that will resonate long after the book is finished.
