## **A Seed Is Sleepy** Dianna Hutts Aston

Award-winning artist Sylvia Long and author Dianna Hutts Aston have teamed up again to create this gorgeous and informative introduction to seeds. Poetic in voice and elegant in design, the book introduces children to a fascinating array of seed and plant facts, making it a guide that is equally at home being read on a parent's lap as in a classroom reading circle. Plus, this is the fixed format version, which looks almost identical to the print edition.
