Her uncanny Sight reveals abuse and damage suppressed deep within--little wonder she'd rather close her eyes

Willow Millet longs to deny her family's exceptional gifts--paranormal talents known to few, shared by even fewer. Benedict Fortune is one such--a connection that should have strengthened the undeniable bond between him and Willow. But her self-doubt has driven them apart.

Married instead to her business, Willow's concierge we-can-do-anything service is thriving until it is hit by a string of bizarre and fatal accidents--every victim a client. Now her livelihood depends on two enigmatic socialites and their notoriously decadent parties. In this anything-goes atmosphere, Willow and Ben are thrown together again and their need for each other is as strong as ever, but they are challenged at every turn....

For dark forces are stalking Willow--coveting her gift as a means of cheating death...and ruling New Orleans forever.
