The Canadian Sioux, Second Edition (Studies in the Anthropology of North American Indians)

James H. Howard

The Canadian Sioux, Second Edition (Studies in the Anthropology of North American Indians) James H. Howard

The Canadian Sioux are descendants of Santees, Yanktonais, and Tetons from the United States who sought refuge in Canada during the 1860s and 1870s. Living today on eight reserves in Manitoba and Saskatchewan, they are the least studied of all the Sioux groups. This book, originally published in 1984, helps fill that gap in the literature and remains relevant even in the twenty-first century.

Based on Howard's fieldwork in the 1970s and supplemented by written sources, *The Canadian Sioux, Second Edition* descriptively reconstructs their traditional culture, many aspects of which are still practiced or remembered by Canadian Sioux although long forgotten by their relatives in the United States. Rich in detail, it presents an abundance of information on topics such as tribal divisions, documented history and traditional history, warfare, economy, social life, philosophy and religion, and ceremonialism. Nearly half the book is devoted to Canadian Sioux religion and describes such ceremonies as the Vision Quest, the Medicine Feast, the Medicine Dance, the Sun Dance, warrior society dances, and the Ghost Dance.

This second edition includes previously unpublished images, many of them photographed by Howard, and some of his original drawings.

From reader reviews:

Melissa Wilcox:

Book is to be different per grade. Book for children until finally adult are different content. As you may know that book is very important normally. The book The Canadian Sioux, Second Edition (Studies in the Anthropology of North American Indians) has been making you to know about other knowledge and of course you can take more information. It doesn't matter what advantages for you. The publication The Canadian Sioux, Second Edition (Studies in the Anthropology of North American Indians) is not only giving you much more new information but also being your friend when you sense bored. You can spend your current spend time to read your reserve. Try to make relationship using the book The Canadian Sioux, Second Edition (Studies in the Anthropology of North American Indians). You never feel lose out for everything should you read some books.

Stacey Lawrence:

In this 21st millennium, people become competitive in each way. By being competitive today, people have do something to make them survives, being in the middle of typically the crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated that for a while is reading. Sure, by reading a book your ability to survive improve then having chance to endure than other is high. To suit your needs who want to start reading any book, we give you this particular The Canadian Sioux, Second Edition (Studies in the Anthropology of North American Indians) book as basic and daily reading guide. Why, because this book is usually more than just a book.

Robert Mills:

Here thing why this kind of The Canadian Sioux, Second Edition (Studies in the Anthropology of North American Indians) are different and reliable to be yours. First of all studying a book is good but it really depends in the content of the usb ports which is the content is as scrumptious as food or not. The Canadian Sioux, Second Edition (Studies in the Anthropology of North American Indians) giving you information deeper including different ways, you can find any reserve out there but there is no guide that similar with The Canadian Sioux, Second Edition (Studies in the Anthropology of North American Indians). It gives you thrill reading through journey, its open up your eyes about the thing which happened in the world which is might be can be happened around you. It is easy to bring everywhere like in park your car, café, or even in your approach home by train. Should you be having difficulties in bringing the paper book maybe the form of The Canadian Sioux, Second Edition (Studies in the Anthropology of North American Indians) in e-book can be your alternative.

Helen Price:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's spirit or

real their interest. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that looking at is not important, boring along with can't see colorful images on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this The Canadian Sioux, Second Edition (Studies in the Anthropology of North American Indians) can make you really feel more interested to read.
